REGISTRATION FORM

Who Should Register for this Course?

The CMS Certified Maintenance Specialist course was designed as an education program for new and seasonal employees, as well as individuals currently working a residential pool maintenance route who want a professional designation to enhance their business opportunities.

What Does the Course Cover?

The course textbook is the APSP *Service Tech Manual, 4th Edition*, and each of the 10 units will be covered during the course, with an emphasis on four key areas: Water Balancing, Circulation and Filtration, Routine Maintenance, and Safety. The purpose is to prepare the student to provide the routine maintenance residential pools and spas require.

What Does the Course Fee Include?

The fee includes a copy of the new, 475-page APSP *Service Tech Manual, 4th Edition*, the *CMS Workbook*, 2.5 days of instruction from an industry professional, the CMS exam fee, and 3 years of certification upon passing the CMS exam.
